

St. Luke's Day School Enrichment Classes for 2016-2017

Tae Kwon Do, taught by Matthew Langford, builds each child's confidence and character based on a strong Christian philosophy. Children learn to respect themselves and others.

In **Ballet** classes, offered by Enrichment Services, children learn basic steps and gain a solid foundation in dance. Classical ballet and jazz are taught. Children develop rhythm, balance, flexibility, and grace in a positive atmosphere.
