SESSION DESCRIPTIONS & DATES

Every child loves the zoo! Campers will learn all about our animal friends through story time, songs, pretend play, art and exploration. It all adds up to a fun and enriching summer experience!

1. May 30 - June 2 Dear Zoo

Come experience life as a zookeeper! We will learn all about animals that live in the zoo as we pretend to feed, clean, and care for them.

2. June 12 - 23 Animal Extremes

Let's explore animals around the world. They can be fast, or slow, big or small. Join us as we learn the differences between some of our zoo friends.

3. June 26 - July 7 Let's Get Wet (no camp Tuesday, 7/4)

Dive into an underwater adventure! Let's discover animals—sea turtles, fish, sea lions and seals—that live in the sea.

4. July 10 - 21 Wild About Prints

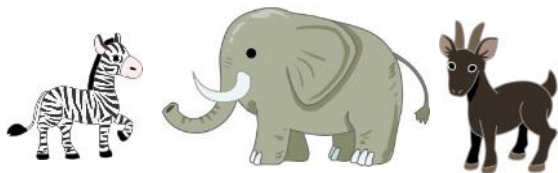

No two are alike! There are many different prints and patterns to explore. We'll discover animals with spots, stripes and beautiful colors.

5. July 24 - Aug. 4 Animals that Roar

"Roarr!" Can you make the sound of an animal that lives in the zoo? Let's listen while we learn about lions, tigers and bears.

6. August 7-11 Zoo Mommies and Babies

Zoo babies are so precious! We will match up the mommies and babies, and see how they are different and how they are the same.
