Big Sky, Blue Water

SESSION DESCRIPTIONS & DATES

Children love to explore the natural world. Campers will learn all about their world through story time, songs, pretend play, art and exploration. It all adds up to a fun and enriching summer experience!

1. **May 29 - June 8 Colors of the Rainbow** (no camp Monday, 5/28)

We'll learn about colors and make that rainbow connection. Red, orange, yellow, green, blue, purple...God's world is so beautiful! What fun to splish splash in puddles after a rain, too!

2. **June 18 - 29 Look Up!**

Our beautiful skies wouldn't be complete without kites, planes, birds, and clouds. We'll discover the many things that fill our Big Sky.

3. **July 2 - 13 Nighttime Stars, Daytime Sun** (no camp Wednesday, 7/4)

We are so different but so much alike. Come explore the moon and stars that fill the night sky, and the sun's warmth in the morning light.

4. **July 16 - 27 Blue Water Adventures**

Creatures, creatures, in the sea, swimming ever wild and free. What interesting creatures will we meet as we dive into the ocean deep?

5. **July 30 - Aug 10 Beach Party**

There is so much to do at the beach. We can look for shells, make sand castles, see what floats, dig in the sand, and go fishing. We will be busy on our beach holiday!
