## 2021-2022 CLASS RATES & FEES

### Kaleidoscope TK/K

(September 2021-May 2022)

#### Kaleidoscope TK/K 2021-22: Two classes in one

**Kaleidoscope TK** (Transitional Kindergarten) is designed to meet the needs of children who have completed PreK to benefit from more time for social/emotional and physical development, continuation of play-based learning, and expansion of readiness skills while preparing for their next steps in formal education.

**Kaleidoscope K** provides differentiated instruction for students who are ready for Kindergarten curriculum while remaining in a familiar setting dedicated to meeting the developmental and academic needs of each child.

**Kaleidoscope TK/K** has a depth of instruction that sets this class apart from our pre-school program. An emphasis on strengthening social, emotional, and higher order thinking skills, fine-tuning Literacy and Mathematics readiness, supporting fine-motor development, and working in small groups is essential for TK/K. Additionally, the curriculum includes Science/Engineering, Social Studies, Physical/Health Education, Fine Arts, Writing, Digital Technology, and Spiritual content areas. Our Kaleidoscope TK/K students receive the time and opportunity to practice the skills they need to go forward as confident, capable, creative learners ready to make a successful change as they set forth into K or 1<sup>st</sup> grade elementary schooling.
