

St. Luke's Day School

2025-2026 CLASS RATES & FEES

Kaleidoscope TK

(Late August 2025 – May 2026)

Kaleidoscope TK (Transitional Kindergarten) is designed to meet the needs of children with summer birthdays who have completed PreK to benefit from more time for social/emotional and physical development, continuation of play-based learning, and expansion of readiness skills while preparing for their next step in formal education, Kindergarten.

Kaleidoscope TK has a depth of instruction that sets this class apart from our pre-school program. An emphasis on strengthening social, emotional, and higher order thinking skills, fine-tuning Literacy and Mathematics readiness, supporting fine-motor development, and working in small groups is essential for TK. Additionally, the curriculum includes Science/Engineering, Social Studies, Physical/Health Education, Fine Arts, Writing, Digital Technology, and Spiritual content areas. Our Kaleidoscope TK students receive the time and opportunity to practice the skills they need to go forward as confident, capable, creative learners ready to make a successful change as they set forth into elementary schooling.
