Child applies phonics to reading

These observations involve the following developmental skills:

- Phonological awareness
- Alphabet & print knowledge
- Comprehension
- Spatial awareness
- Thinking, reasoning & problem-solving
- Self-confidence

Developmental Milestones: Cognitive/Reading Skills

Child demonstrates growth in vocabulary

These observations involve the following developmental skills:

- Phonological awareness
- Alphabetic knowledge
- Comprehension
- Thinking, reasoning & problem-solving
- Self-confidence
- Language & communication
- Creative development

Developmental Milestones: Cognitive/Reading Skills

Child demonstrates comprehension

These observations involve the following developmental skills:

- Thinking, reasoning & problem-solving
- Self-confidence
- Communicates ideas
- Creative development
- Describing, relating, categorizing, & comparing/contrasting
- Receptive & expressive language

Developmental Milestones: Cognitive/Reading Skills

Child is familiar with different types of texts

These observations involve the following developmental skills:

- Beginning to understand different types of literature
- Reading development
- Understanding of print progression
- Comprehension
- Describing, relating, categorizing, & comparing/contrasting
- Thinking, reasoning & problem-solving
- Self-confidence

Developmental Milestones: Cognitive/Reading Skills

Child demonstrates print awareness

These observations involve the following developmental skills:

- Language & communication
- Creative development
- Self-confidence
- Thinking, reasoning & problem-solving
- Reading/handwriting development
- Fine motor
- Alphabetic knowledge
- Understanding of print progression
