As noted above, tuition deposits for the first and last month of the school year are paid before the first day of school. Starting in October, tuition payments are due on the first of each month. Families are set up for automatic payments; we do not issue monthly invoices. Parents may request receipts.

Updated Policy: Tuition may be paid by ACH bank transfer, credit or debit card, or personal check. Cash is not accepted. ACH payments are charged at the published rates. All credit and debit card payments will include an additional 2% convenience fee. Parents may pay the full school year tuition in advance and deduct 2% from tuition if the check is received by September 15. Checks should be made payable to "St. Luke's Day School."

Parents will indicate their preferred method of payment by a payment page at enrollment. This information will be securely linked to the family profile. To change your payment method during the school year, please contact the office or use the form located on our Parent Portal. ACH and card payments will be run automatically according to the published payment schedule.

Additional important information:

- St. Luke's Day School is intended to be a nine- or twelve-month commitment, and each payment represents one-ninth or one-twelfth of a year. **Credit is not given for a child's absence or days the school is not in session.**
- A late charge of twenty dollars (\$20) will be assessed for tuition paid after the **fifth** of the month **and** for returned checks and declined ACH/credit card transactions.
- Tuition is defined as payment for the child's assigned class. Tuition deposits and fees are **not refundable** and **non-transferrable** to another child in the family or to another month of the school year. This includes the registration fee, activity/supply fee, first and last month's tuition (May for Part-day and August for Luke's Place Full-day), which were paid before the start of the school year.

Questions about tuition may be addressed to the Assistant Director-Operations. If it becomes difficult to meet the scheduled payment plan, please make an appointment to see the Director to arrange a more workable payment plan.
